

DEMOLITION PERMIT APPLICATION

PART A IDENTIFICATION	
Owner Name	
Address	
Address Location of the Building(s) to be Removed	
Contact Name of Owner	
Phone Number	Email Address

PART B DETAILED INFORMATION
<p>Construction documents and a schedule for demolition must be submitted with this application. The work of demolishing any building shall not be commenced until pedestrian protection is in place and all asbestos material is removed from the site prior to demolition of the structure by a licensed abatement contractor. Where a structure has been demolished or removed, the vacant lot shall be filled and maintained to the existing grade or in accordance with the code. Provision shall be made to prevent the accumulation of water or damage to any foundations on the premises or the adjoining property. Service utility connections shall be discontinued and capped in accordance with the requirements of the applicable utility provider.</p>
